New

ClassicCOTTAGE™

ClassicRustic™

New England Classic introduces two new inspirational design styles to its line of architectural paneling: ClassicCottage™ & ClassicRustic™

*New England Classic Architectural Paneling
Transforms the look and character of your home.*

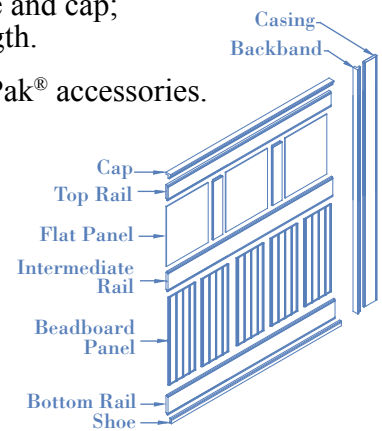

Our paneling adds a timeless sophistication to any room – from traditional to modern.

ClassicCOTTAGE™

ClassicCottage™ is a refined casual style, available in chair rail heights of 48" and 56".

- Inspired by the 'utilitarian' architecture of late 19th and early 20th century.
 - Mission • Craftsman • English Cottage • Shingle
- Packaged in convenient Framepak® and Panelset® configurations.
 - PanelSet – 12", 23" and 31" heights.
 - FramePak – 3- 4" rails, shoe and cap; each component is 8' in length.
 - Edge moulding and CasingPak® accessories.
- Finishes:
 - Species: primed, oak, maple and cherry.
 - Standard, custom and unfinished.

ClassicRustic™

ClassicRustic™ is crafted with pillow edged rails, chair rail and panels. Each component is hand scraped, carved and finished to portray a rugged timeless beauty. Available in chair rail heights of 36" and 44".

ClassicRustic is available in a range of Framepak® Panelsets® and finishes.

- Framepak – 5" top rail, 6-3/4" bottom rail and 1-3/4" chair rail; each component is 8 feet in length.
- Panelset – approx. 4 lineal feet per pak. Pillowed panels are 5" wide. Lengths of 23" and 31" are available.
- Accessories: CasingPak® and Edge moulding.
- Finishes:
