

# New England Classic

What better walls are wearing

# As Seen In

*Dream Walls* begins with a historical journey of wall design and then explores many of the new and innovative ways design professionals are decorating walls today. It devotes an entire chapter to modern wood paneling, featuring New England Classic wall paneling on 20 pages, and inspires the reader with beautiful and imaginative room photography.

**“Once you have invited wood paneling into your home, there is no end to the warmth and subtle elegance it will provide.”**

Available July 2004
